Textbook (s)

1. To what extent are the ACP syllabus, aims and content representative of the on-campus course?
2. What are your impressions of student interest and involvement in the course?
3. Ask to see some papers, activities, or assignments generated thus far in the course. Is the depth of rigor equivalent to the on-campus course?

4. Comment on the instructor's marking and grading. Does the instructor feel comfortable evaluating student work or is there a need for more help?

5. If you have the opportunity to address the class, please solicit comments and record them below regarding the course, ACP policies, procedures and practices?

6. What concerns, if any, were expressed by the instructor about offering IU courses through ACP?

7. What course recommendations were discussed with the instructor?
